

Defender 76ES Easy Slide Door		
	MIN PANEL WIDTH*: 35.35 in.	MAX PANEL WIDTH: 60 in.
	RECOMMENDED MIN HEIGHT: *86.1 in. (handle at fixed door height) **75.67 in. (handle centered vertically)	MAX DOOR HEIGHT: 96 in.
CONFIGURATION	Minimum Overall Width	Maximum Overall Width
XO or OX	70.70 in.	120 in.
OFF-CENTER XO or OX	NA	144 in.
<p>*Minimum panel width of 35.35 in. provides a clear width opening of 27.1 in. * For a clear opening height of 80 in., the heel height of the door must be 86.1 in. It is possible to manufacturer shorter heights but these may not provide a code compliant, safe or comfortable clear height opening. **Smaller sizes available as the Easy Slide Window; handle position is affected (centered on frame).</p>		

Notes

All dimensions are heel dimensions.
 Maximum NAFS tested size 120" x 96" (3048mm x 2438mm), larger sizes require an engineering letter.
